Attention Retirees utilizing GHI Senior Care (\* ONLY):

Presently, the courts have issued a TEMPORARY injunction placing a cessation of Copays for ONLY those Retirees who are enrolled in the GHI Senior Care. Since this information has not been received by all GHI medical providers, it is a possibility that your medical provider is not aware of this recent TEMPORARY change, and they may request a co pay. My advice is not to get into an argument over this issue and just make the co pay and keep your receipts for a later day if necessary.

Thank you.
