

Our Heroes!

The Frontline Workers

DC37 retirees spent their long careers providing an array of essential services. Retirees are unsung heroes in many ways today. We care for our grandchildren, freeing up our children to do essential work for our great city. We also often help our fellow retirees in our communities.

On behalf of the DC37 Retirees Association, we wish to express to the First Responders, and Health Care Providers our gratitude and sincere appreciation for your dedication, commitment and determination to help, support others, and save lives during this most challenging period. We stand shoulder to shoulder with you in an effort to combat this pandemic.

We add our voices to the much-deserved chorus of Thank You!!!
